

### **West Coast Named Windstorm Clause**

It is a condition precedent to liability that *The Vessel* must be in port or harbour or other safe place of refuge in the event of a Named Windstorm. All sails, sail-covers, canvas bimini's, canvas dodgers, canvas lee-cloths and inflatable tenders must be stowed below decks or onshore at time of any Named Windstorm Loss.

The policy deductible increases to 5% of the hull value and is applicable following total loss

A hurricane procedure plan must also be seen and agreed by underwriters prior to this cover being in force
