

BRIT HURRICANE QUESTIONNAIRE / PLAN

<u>INSURED DETAILS</u>	
1. Insured's Full Name:	
2. Address:	3. Phone (Home): Work: Mobile: Fax: Email:

<u>DETAILS OF YACHT</u>	
4. Name Of Vessel:	5. Type / Model:
6. Year of Build:	7. Port of Registry:
8. Hull Identification Number:	9. Other Identification Number:

<u>INFORMATION REQUIRED</u>	
10. If different from above, who is going to be responsible for the vessel before and after the hurricane?	Name: Address: Phone (Work): Mobile: Fax: Email:
11. What is the name, address and contact details of the marina or residence where the vessel is kept?	
12. How frequently, do you or the person named above visit the vessel?	
13. Who if other than the Insured, has the authority to move and or prepare the vessel for a storm?	
14. Is the insured vessel in a single slip with a neighbouring vessel? If so what is the distance in feet between the widest beam of the insured vessel and the neighbouring vessel?	
15. How many lines are going to be used to secure the vessel and what is the diameter and material of those lines?	

16. Is the slip covered by a roof or building?	
17. Does the slip have overhead power lines?	
18. If the Insured Vessel is a sailboat will the vessel be hauled and blocked ashore during hurricane season?	
19. If the vessel will be ashore are all the stands supporting the vessel chained together?	
20. Will all canvas and/or biminis and/or cushions and/or outriggers removed and/or valuables and/or valuable equipment?	
21. If the vessel is to be moved to a hurricane hole, what is the travel time by water & if there are any bridges will they open prior to the hurricane?	
22. What arrangements have you made for the safety of your vessel in the event that a named storm warning is issued?	
23. What are your alternative plans in the event that the above plan becomes unlikely?	
24. Will preventers be installed at the top of the pilings so lines can not slip off the top?	
25. What is the height of the pilings above the water level at spring high tide?	
26. Have you ever had to prepare for a storm before? If so, we would appreciate any tips or comments you may have	

DECLARATION

To the best of my knowledge and belief the information provided in connection with this hurricane questionnaire / plan, whether in my own hand or not, is true and I have not withheld any material facts*. I understand that non-disclosure or misrepresentation of a material fact* may entitle underwriters to void the insurance.

*A material fact is one likely to influence acceptance or assessment of this hurricane questionnaire / plan by underwriters; if you are in

any doubt as to whether a fact is material or not you must disclose it.

This hurricane questionnaire / plan and the information provided in connection therewith contain statements upon which underwriters will rely in deciding to accept this insurance. Should a contract of insurance be concluded this hurricane questionnaire / plan will form the basis of the insurance.
